

PERSONAL STATEMENT

I'm a 24 year old Italian product designer, graphic designer, UI/UX, Photography and videography graduate with more than 5 years of experience in design.

I love minimal design, simple, easy to understand and clean, my passion for art and culture started when I was young, fascinated by everything regarding a pencil and a white piece of paper.

My main focus is client satisfaction.

I like to define myself as an artisan, and I love to predict trends, I concentrate on visual communication and marketing.

I started as a freelance designer when I was studying at university and since then I have done different projects within this area of study.

WORK EXPERIENCES

AUGUST 2017 - CURRENTLY

Wine Ambassador

OCTOBER 2015 - CURRENTLY

Waiter and Bartender

Ember Yard - Salt Yard Group

One of the most important things, is that we are doing training every week about food, wine and spirit to improve our own knowledge.

I Effectively communicated with kitchen staff regarding customer allergies, dietary needs, and other special requests.

Managed closing duties, including restocking items and reconciliation of the cash drawer.

Accurately recorded orders and partnered with team members to serve food and beverages that exceeded guests expectations.

Effectively used items in stock to decrease waste and profit loss.

JULY 2015 - AUGUST 2015

Internship

Mercedes Benz Milan - Italian Headquarters

The internships involved supporting colleagues in a variety of work both from a business as usual and project basis.

You had to have a passion for learning and the ability to absorb new information quickly.

APRIL 2015 - MAY 2015

Volunteer

Expo Milan 2015 - International World Fair

My volunteer experience It has been amazing, I had the occasion to know a lot of people come from all over the world.

I had to guide the tourists and tell them all the information they asked me about the fair and interact and work in a team.

NOVEMBER 2016 - CURRENTLY

Graphic Designer

Work Revolution - Covered Technologies Limited

I create many graphics for events they are doing including suggestions.

The app is a recruitment platform that allow you to find job offers that suit you when and where you want in London.

FEBRUARY 2015 - MARCH 2015

Website Designer

Paperstone - The Earth's Surface

Using Wordpress I created the intere website for Paperstone - The Earth's Surface, a company that as creating surfaces from recycled paper and a non-petroleum resin.

For this project I had to spoke with the owner and interapt to convince him that my idea was the best for this moment for the company.

APRIL 2014 - NOVEMBER 2015

First AID Volunteer

Brescia Soccorso

After one year course, I received the license to operate as a First Aid Volunteer, and I can sey it's has been one of the most important experience in my life under every aspect.
